

Campus Advisory Councils Standard Member Selection Considerations

In selecting members according to CAC bylaws, the Principal and Co-Chairs shall consistently apply the following member selection considerations:

Considerations for Selecting New Members:

- Extent to which candidate would help achieve membership diversity
- Extent to which candidate has previous school or community service
- Extent to which candidate is known to have a positive attitude and work well with others
- Extent to which candidate is known to advocate for the interests of all children
- Extent to which candidate has supplied references

Considerations for Selecting Existing Members for Additional Term:

- Extent to which incumbent would help maintain membership diversity
- Extent to which incumbent has maintained reasonably regular attendance
- Extent to which incumbent has maintained a positive attitude, has worked well with others, and has contributed to the CAC
- Extent to which incumbent would provide leadership and experience to the CAC
- Extent to which continued service by incumbent would prohibit other interested and capable candidates from serving
