## JOINT

## SUBCOMMITTEE

 RESILIENCE HUBSNOVEMBER 29, 2021

## AGENDA

I. Recent Work
II. Next Steps

## WHAT ARE RESILIENCE HUBS?

## What they are:

- Networks of Physical Facilities
- Community Focused

## What they are not:

- Replacement for traditional emergency planning and disaster response
- Replacement for sheltering plan

## Day to Day v. Emergency

- $98 \%$ of the time, function to serve the community
- $2 \%$ of the time, activated with resilient systems

## SVI in Travis Count

## Some communities are

 disproportionately exposed to and affected by climate hazards more than others based on social vulnerability.Social Vulnerability Index (SVI) is a measure of both the sensitivity of a population to natural hazards and its ability to respond to and recover from the impacts of hazards.

## RANGE OF FACILITIES

## DRAFT HUB LEVEL DEFINITIONS

Prerequisites 1. Physical ability to be a Resilience Hub, 2. Structure not exposed natural hazards, 3. Open daily to the public

|  | Facility Attributes |  | Staffing + Supplies |
| ---: | :--- | :--- | :--- |
| Level 1 <br> GATHERING <br> HUB | Gathering space <br>  <br> shaded outdoor space) | Public Restrooms <br> Access to electricity | Trained Staff <br> Information \& care kits <br> Small amount of snacks and water |
| Level 2 <br> (Level 1++ <br> RELIEF HUB | Parking lot for water/food <br> distribution <br> Wifi | Dry storage space <br> Larger indoor gathering space <br> Portable generators / solar kiosk | Larger supplies of food and water |
| Level 3 <br> (Level 2+) | 24-Hour Shelter (Cots and <br> Sleeping area) + Showers <br> Grid-independent power | Commercial kitchen <br> Refrigerated storage <br> Backup Water System | Additional Shelter Staffing Resources |
| SHELTER HUB |  |  |  |

## DRAFT PROCESS

Step 1: Google Mapping Existing Facilities

- Prerequisites/Levels of hubs
- Geographic gap assessment

## Step 2: SVI Needs Assessment

- SVI / Facility Alignment
- Community engagement - ID Needs

## Step 3: Pilots

- Site \& Solution selection
- Implementation
- Communication

## ORGANIZATIONAL CHART

## RECENT OUTREACH

| ISD's/Schools | Organizations |  |
| :--- | :--- | :--- |
| Manor | Central Texas Interfaith | Austin Justice Coalition |
| Pflugerville | American Heart Association | Austin Area Urban League |
| Del Valle | VOAD Central Texas | Guadalupe Neighborhood Development <br> Corporation |
| Texas School for the Deaf | American Red Cross | Austin Revitalization Authority |
| Texas School for the Blind | ADRN | Community Advancement Network |
| Eanes | Housing Authority of the City of Austin | Community Coalition for Health |
| IDEA | Texas Association of Community Health <br> Centers | Go Austin, Vamos Austin |
| Austin Achieve | Sustainable Food Center | Pecan Street Inc. |

Building Partnerships: AISD, Travis County, Central Health

## Identify \& Prioritize Sites for Potential New Investments

- City of Austin (54)
- AISD (119)
- Travis County (5)
- Central Health (3)

## Conduct Stakeholder Engagement to Inform the Process

- Starting in January 2022
- Centering Equity in the Process
- Advisory Board (10-15 individuals)
- $\quad$ Select Initial Sites $\rightarrow$ Neighborhood level community engagement

## DRAFT TIMELINE

## Data Collection/Analysis

Map hazards and Social
Vulnerability Index (SVI),
Conduct basic assessments,
identify Level 1-3 sites

## Community Engagement

Engage community groups and create an advisory board Provide outreach on Level 1-3 sites.

## Initiate Pilots

Based on SVI and community groups, engage neighborhoods to determine needs, select pilot sites, and start implementing simple strategies

## Implementation

For sites that are ready to function, train staff, get supplies, Website go-live, Communications and Promotion

For sites that need capital upgrades: Schematic design, design development, contract document, bid/selection, construction

Thank Youtio
