Action Items/Requests: Throughout the meeting and under Agenda Items 9, 13, and 15, committee members took action, promised to undertake, or requested the following:

- Julian Rivera requested that the 2013 financial reports be broken down in greater detail, and that any significant financial changes be flagged or highlighted. The 2013 Bond Project status descriptions and financials descriptions are named differently, making it harder to track where the money was spent.
- The tri-chairs and committee requested that the meeting slides to be sent in advance with references to the files distributed specific to Issues, Risks & Substantial changes.
- Julian Rivera requested that presentation materials from additional presenters be distributed prior to the meeting.
- Julian Rivera requested that the “date” in column two of the *Program Change Log 9A* be clarified in the future. Drew noted that it was not the date of the change, but rather the date of the notification.
- Andrei Lubomudrov proposed a consistent check-in on long-term COVID mitigation and prevention, specifically where it concerns facilities improvements.
- Dinita Caldwell, HUB Program Director stated that she would provide quarterly updates of The Disparity Study once the report reaches the data analysis phase.
- Julian Rivera requested that a link to Principal Wendy Mills' discussion be sent to the board.
