Mission Statement

It is the mission of Kocurek Elementary School to ensure high levels of learning for each student. Through a foundation of respect within the total school community, our children will grow, create, and learn in a positive, inclusive, and safe environment where faculty, staff, students, and parents are enthusiastic about the teaching and learning process.

Vision

We believe that the most promising strategy for achieving the mission of our school is to develop our capacity to function as a professional learning community. We envision a school in which staff:

- Demonstrate a commitment to the academic success and well-being of each student through an asset-based mindset
- Work together -interdependently - in collaborative teams
- Seek and implement effective strategies to develop student learning and critical thinking
- Monitor each student's progress on a frequent basis
