I. Introduction

The Austin Independent School District (herein after referred to as “AISD” or the “District”) is seeking proposals from firms qualified and experienced in servicing grease traps. AISD currently has grease traps at 114 locations within the district. The services required by these specifications are to include the furnishing of all labor, equipment, and materials necessary for the removal, transportation and disposal of waste materials from grease traps located at AISD facilities. Refer to **Attachment A** for a list of locations, cycles and volumes.

II. Historically Underutilized Business (HUB) Program Requirements

No Goals

No Goals are appropriate for this project. While no goals have been established for this project, the Bidder/Proposer is required to comply with AISD HUB Program Regulations if areas of subconsulting are identified. Please complete the HUB Utilization Report - HUR form (HUBATT 1). When the HUR Form and Good Faith Effort - GFE documentation, if required, are NOT submitted at time of deadline specified in the solicitation, it will not be accepted later for compliance review. The bid may be deemed NON-RESPONSIVE. (Reference HUB No Goal Compliance Information Attachment)

III. Contract Term

The agreement(s) resulting from this solicitation will be in effect for an initial term of two (2) years from the date of award by the Board of Trustees, or such date established by the agreement. The parties by mutual consent may renew the agreement for up to three (3) additional one-year periods. AISD may extend the agreement for an additional sixty (60) days to prevent contract lapse and issue a new solicitation.

IV. Scope of Service and Performance Requirements

1. Servicing of grease traps shall be performed according to a pump cycle and shall be coordinated with and approved by the Assistant Director of Operations for Food Service. Pump cycles are listed on **Attachment A** as once per the number of weeks listed, i.e., servicing once every 12 weeks, once every 4 weeks. Cycles vary depending on size of the school and volume.
2. Unscheduled pumping of specific locations will also be included in this contract. AISD Food Service Department will notify vendor at least twenty-four hours in advance of necessary unscheduled pumping. The vendor will provide unscheduled pumping at the same rate as scheduled pumping with no additional charges.
3. The vendor shall remove wall grease, sludge, solids and water from each grease trap, and scrape the sides and bottom of grease trap with a metal scraper or other suitable implement so that all of waste material deposits are thoroughly removed.
4. The grease traps and surrounding areas shall be left in a clean, deodorized and in sanitary condition.

5. All servicing of grease traps will be performed between the hours of 7:00 A.M. and 3:30 P.M., Monday through Friday.
6. All collected waste material will be disposed of in accordance with local, state and federal regulations and shall be for the sole purpose of disposal as a waste product and shall not be transferred or sold.
7. All invoices shall include school name, school code, and total number of gallons of waste removed per servicing.
8. AISD will only pay the gallon capacity identified in this bid. If the vendor believes there is a discrepancy in gallon capacity identified for a specific location, the vendor must contact the Assistant Director of Operations for the Food Service Department immediately. AISD Food Service Department will coordinate the verification of the actual gallon capacity of locations when made aware of discrepancies and correct listing as necessary.
9. All personnel (service technicians and representatives) shall be appropriately uniformed and readily identifiable with a photo/name ID.
10. Contractor will meet all local, state and federal regulations. Should the contractor fail to meet the regulations, any fines will be the responsibility of the contractor.
11. Contractor shall carry throughout the life of this Contract, at their expense, insurance that meets local, state and federal statutory minimums.

V. Proposal Format

A. Preface

The Proposer shall provide an Executive Summary of two (2) pages or less, which gives in brief, concise terms, a summation of the proposal.

B. Proposal

The vendor's proposal itself shall be organized in the following format and informational sequence:

Section I – Summary of Experience

This section shall contain the full name and address of the Proposer submitting the proposal and a brief summary of the Proposer's corporate experience and individual experience for personnel who will provide this product or service.

Section II - Scope of Service

A description of services and capabilities as outlined in the Scope of Service and Performance Requirements sections of this RFP, in the order shown. Clearly state any exceptions taken to the specifications of this RFP, or any conditions of the proposal.

Section III - Financial Proposal

This section shall contain a straightforward, concise delineation of the Proposer's fees to satisfy the requirements of this RFP. It is the vendor's responsibility to specify all costs (i.e. administrative fees, processing fees, etc.) associated with providing the products or services required herein.

Include the following:

- Price per gallon
- Minimum charge per trap
- Emergency fee

Disposal services are estimated at 800,000 gallons annually.

Section IV – References

References are to be from government agencies and/or firms, which are substantially serviced by the vendor (references most similar to Austin ISD should be provided). Each reference must contain the reference's name, address, telephone number, and point of contact (including email address). A list of at least three (3) references from current customers must be provided.

VI. Initial Review of Proposals

Any proposer determined non-responsible or any proposal determined non-responsive will not be evaluated further. The proposer will be notified of a non-responsible or non-responsive determination.

Responsive

In order for a proposal to be responsive:

- ALL required forms listed above shall be included with proposal;
- Proposal shall be received prior to the RFP Opening Date at the address listed on the cover page;
- Proposal shall respond to the entire scope of service and performance requirements as requested.

Responsible

In order for a proposal to be responsible, the proposer shall be in good financial standing with the Texas Comptroller of Public Accounts.

VII. Competitive Selection/Evaluation

- A. This is a NEGOTIATED procurement and as such, award will not necessarily be made to the offeror submitting the lowest priced proposal. Award will be made to the firm submitting the best responsive proposal satisfying AISD’s requirements, price and other factors considered.
- B. AISD will evaluate each Contractor’s proposal in the areas of the proposed plan, experience/service capabilities, and best value on the following pre-determined criteria:

PHASE 1

Points	Item	Detailed Description
20 Points	Proposed Plan	The adequacy and completeness of the plan offered addressing the Scope of Service.
15 Points	Contractor's Capabilities	The demonstrated ability of the Contractor to provide services, including references.
25 Points	Proposed Services/Products	Quality of items as well as their ability to meet specifications and sustainability requirements and preferences.
40 Points	Financial Proposal	Start-up costs, fixed product costs as well as rebate incentives to determine best value.

PHASE 2 (optional)

Points	Item	Detailed Description
25 Points	Proposed Plan	The adequacy and completeness of the plan offered addressing the Scope of Services and Performance Requirements.
30 Points	Proposer’s Capabilities	The demonstrated ability to provide services, including references.
30 Points	Management Information Reporting and Data Processing Capabilities	The ability of the Contractor to process information management requirements of the District and partners.
15 Points	Financial Proposal	All fees associated with providing the services required.

- C. The committee evaluating the proposals submitted in response to this RFP may require any or all contractors to give an oral presentation in order to clarify or elaborate on their proposal as well as to provide a demonstration. Upon completion of oral presentations or discussions, Contractors may be requested to revise any or all portions of their proposals.

**Contacting Board
Members**

Vendors shall not contact Board members individually for the purpose of soliciting a purchase or contract during the restricted contract period.

If a vendor violates this prohibition during this time frame, consideration of the vendor for award shall be invalidated. Board members shall be notified of possible violations and actions taken.

**Restricted Contact
Period**

The restricted contact period shall begin upon the date of issuance of a solicitation and shall end upon execution of the awarded contract by all parties.

In an effort to demonstrate its commitment to ethical procurement and contracting standards, and to improve accountability and public confidence, all District purchases of goods and services through competitive methods as provided in CH(LEGAL) and CV(LEGAL) shall be subject to a restricted contact period. Except as provided in this policy communication between a vendor and vendor's representative, and a Board member, the Superintendent, assistant superintendent, chief, officer, executive director, principal, department head, director, manager, project manager, or any other District representative who has influence on or is participating in the evaluation or selection process is prohibited.

*Prohibited
Communications*

A vendor and vendor's representative are prohibited from communications regarding the particular solicitation at issue that are intended or reasonably likely to:

1. Provide substantive information regarding the subject of the solicitation;
2. Advance the interests of the vendor;
3. Discredit the response of any other vendor;
4. Encourage the District to reject a response by a bidder;
5. Convey a complaint about the solicitation; or
6. Directly or indirectly ask, influence, or persuade a Board member, the Superintendent, assistant superintendent, chief, officer, executive director, principal, department head, director, manager, project manager, or any other District representative who has influence on or is participating in the evaluation or selection process, to take action or refrain from taking action on any vote, decision, or agenda item regarding the solicitation at issue.

*Permissible
Communications*

A vendor and vendor's representative are permitted to communicate with the District regarding the following:

PURCHASING AND ACQUISITION
VENDOR RELATIONS

CHE
(LOCAL)

1. Communication to the extent the communication relates solely to a nonsubstantive, procedural matter related to a response or solicitation;
2. Communication that relates solely to an existing contract between a respondent and the District, even when the scope, products, or services of the current contract are the same or similar to those contained in an active solicitation;
3. Communication with the District's Office of Contract and Procurement Services;
4. Communication with the District's Historically Underutilized Business (HUB) Program Department to the extent the communication relates to obtaining a listing of HUB subcontractors and general questions regarding HUB program compliance requirements;
5. Communication between an attorney representing a vendor and an attorney representing the District;
6. Communication with the District in the course of attendance at vendor conference;
7. Communication with the District for the purpose of the District's evaluation of the bidder's proposal, negotiating the scope of work, or engaging in contract negotiations;
8. Communication with the District for the purpose of making a public presentation to the Board; and
9. Communication made during the course of a formal protest hearing related to the solicitation.

*Other Vendor
Participation and
Communication*

Regardless of the above time period, a vendor and a vendor's representative who participate in the drafting or development of technical specifications or evaluation criteria for any project are prohibited from competing in the solicitation for such project.

A vendor and vendor's representative shall send all communications, questions, and requests for clarification in writing and addressed to the District's authorized representative identified in the solicitation. The District shall post responses to vendor questions as an addendum to the solicitation.

Nothing in this policy shall prohibit the District's representative from initiating contact with a vendor, in writing, for the purpose of obtaining clarifying information regarding a solicitation response. The vendor's response shall be in writing and shall be provided to the District's authorized representative.

- Complaints* Any person who is aggrieved in connection with a HUB program policy decision may file a complaint in accordance with GF(LOCAL).
- Violations* The following are violations subject to sanctions:
1. Falsely conceal or cover up a material fact or make any false, fictitious, or fraudulent statements, reports, or representations, or make use of any false writing, document, or electronic report knowing the same to contain any false, fictitious, or fraudulent statement.
 2. Fraudulently obtain, retain or attempt to obtain, or aid another in fraudulently obtaining, retaining, or attempting to obtain certification status as a HUB.
 3. Make false reports regarding payments made to subcontractors or sub-consultants.
- Sanctions* Any person who violates the provisions of this section shall be subject to the following sanctions and to the maximum penalties provided by law:
1. The District may bar, suspend, or deem nonresponsive in future District solicitations and contracts, for a period of up to five years, any bidder or proposer, or contractor or subcontractor following notice and an opportunity for a hearing in accordance with the protest procedures in this policy.
 2. The District may, by contract, and where appropriate and lawful, impose an administrative penalty.
 3. In addition to other sanctions available to the District, the violation of any provision of these program rules may be included as an incident of breach in each contract.
- Request for Proposal and Bid Invitation* Each request for proposal and bid invitation shall include a copy of this policy.
