## **VI. SCOPE OF SERVICE AND PERFORMANCE REQUIREMENTS**

The following describes the service and performance requirements that selected vendor(s) will be required to perform. Failure to address or to fully describe capabilities to accomplish all elements of this section will result in a loss of evaluation points.

All responses to this RFP must present a well-developed plan for professional mental health services, focused on direct, clinical therapy (face-to-face/teletherapy), with a cost that reflects the respondent's expertise, experience, and capacity to carry out the details outlined in the Request for Proposal.

Ideal Contractor(s) will maintain full transparency and disclosure surrounding the operations of the District's School Mental Health Centers, including but not limited to:

- the location of the Centers at campuses to be determined by the District,
- maintaining AISD's name and branding of the District's School Mental Health Centers to be determined and communicated by the District,
- staffing details by campus, including therapists' schedules (full-time/part-time), therapists' case-loads (increase and/or decrease in hours), names of therapists, therapists' locations, and therapists' hours worked per week,
- the delivery model(s)/method(s) used to implement mental health services (face-to-face and teletherapy) to be determined and communicated by the District,
- invoicing formatting and procedures to be determined and communicated by the District,
- reporting format and requirements to be determined and communicated by the District,
- following timing requirements to be determined and communicated by the District, and
- all operational items, including but not limited to all data, as it relates to the clients served in the District's School Mental Health Centers.

All operational procedures impacting the function of the AISD School Mental Health Centers will be determined by the District. Any modifications affecting a Center's operation (change in delivery model, change in staffing, change in location of a current or future Center(s), or elimination of a Center(s)) will be approved in writing by the District prior to any modifications being implemented by the District or Contractor(s). Any modifications suggested by the Contractor(s) will need to be submitted in writing to the Director of Health Services, and will be approved by the District in writing. Approval of modifications in Scope of Work as listed above will be documented by a District amendment signed by both parties.

This award may be made to more than one contractor, which is at the discretion of the District. If there is more than one award, all Contractors will be expected to collaborate together, under the direction and supervision of the Director of Health Services, Project Director, and/or

School Mental Health Coordinator(s). All coordination between Contractor(s) will be communicated and administered by the School Mental Health Coordinator(s).

### **A. Mental Health Center Service Requirements**

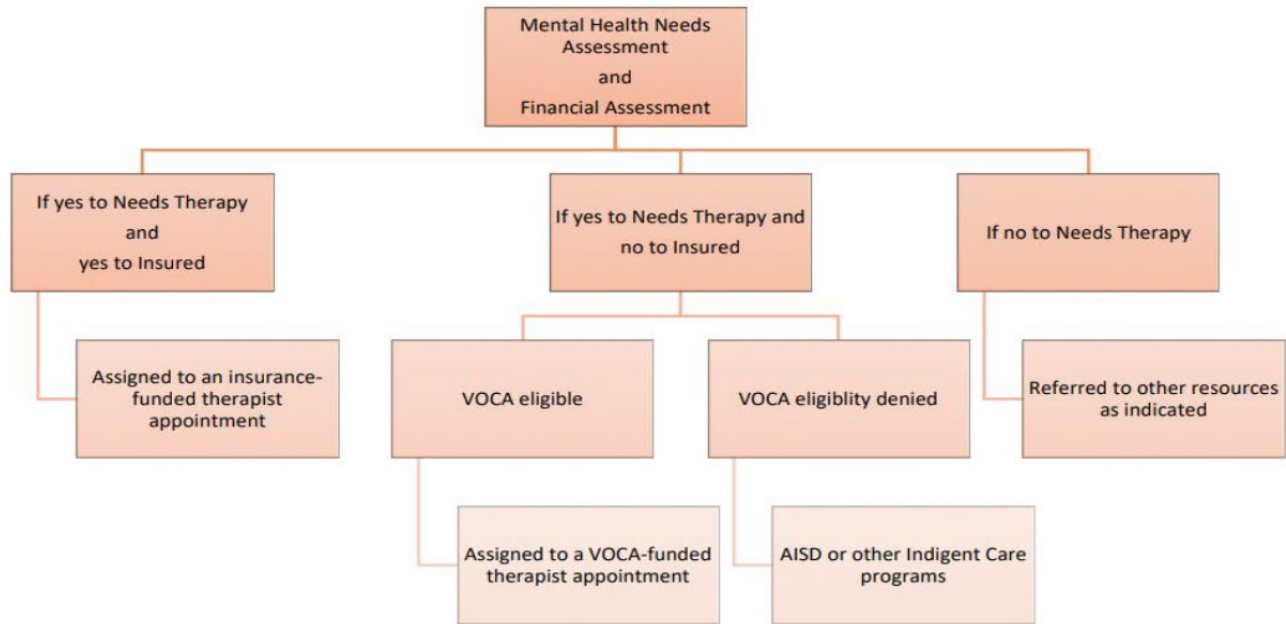

Proposer will:

- Agree not to represent themselves as agents or employees of the District.
- Agree not to change the name and/or branding of AISD's School Mental Health Centers. The name and branding of the School Mental Health Centers will reflect that ownership of the centers belongs solely to the District. When communicating within or outside of the District, regarding the School Mental Health Centers, the contractor(s) will maintain that ownership of the School Mental Health Centers is to AISD and not the contractor(s).
- Provide evidence-based, direct, clinical therapy services and associated client advocacy services on AISD campuses to insured and uninsured victims and non-victims, who are affiliated with AISD, including students, family members, and staff. Such services will be provided to a wide range of ages, including youth (Pre-K through 12th grade) and adults. Direct clinical therapy services include individual therapy, group therapy, family therapy, and assessment/evaluation. When necessary, psychiatric services for those in need will be obtained via referral to appropriate providers. Victims will be defined by one of the following categories:
  - Child abuse and neglect;
  - Family violence;
  - Sexual assault;
  - Human trafficking;
  - Other types of violent crime.
- Hire therapists possessing certification of one of the four credentials: Licensed Psychologist (LPA, PLP, LP), Licensed Professional Counselor (LPC), Licensed Clinical Social Worker (LCSW), or a Licensed Marriage & Family Therapist (LMFT). These therapists must also be trained to integrate a variety of evidence-based, trauma-informed, therapeutic orientations (e.g. Cognitive Behavioral Therapy, Psychodynamic Therapy, Psychoanalytic Therapy, Family Systems Therapy, Interpersonal Therapy, Play Therapy, Motivational Interviewing, etc.), customized to best meet the needs of each student, family, and staff.
- Provide services all year, after school, and during holidays with the understanding that services during the summer months (June, July, and August) and holidays, could include fewer campuses, fewer direct, clinical therapy hours, reduced therapist hours, and/or increased teletherapy. Varying adjustments to services could also be needed, due to a District crisis and/or national crisis. All adjustments to services will be determined by the District and coordinated with the Director of Health Services and the School Mental Health Coordinator(s). The provider will work collaboratively with the District to ensure mental health needs are met district-wide, in regards to providing direct clinical services to children and their parents/guardians in the familiar school environment, eliminating barriers to continued services.
- Protect the privacy of students, their families, and AISD staff, by utilizing the AISD School Mental Health Center referral and consent forms and processes that comply

with the Family Educational Rights and Privacy Act (FERPA), protecting students' educational records, and Health Insurance Portability and Accountability Act (HIPAA), protecting confidentiality and security of healthcare information.

- Collaborate with the Director of Health Services, Project Director, and/or School Mental Health Coordinator(s), regarding the addition or elimination of therapists, the transfer of therapists between campuses, the addition of campus mental health centers, etc. Contractor(s) will remain in communication with the District School Mental Health Coordinator(s), regarding day-to-day operational information impacting the ability for contractor(s) to provide direct clinical services on campuses.
- Utilize the AISD School Mental Health Center referral and consent process to obtain referrals on campus, through teachers, campus staff, campus Child Study Team/Threat Assessment Team, parents/guardians, school counselors, school nurses, district police/school resource officers, and external community partner agencies (e.g. The Department of Family and Protective Services, law enforcement, service providers such as Communities in Schools, SAFE, Dell Medical School (utilizing TCHAT), and others providing support to students and families). The referral process will allow individuals to refer students for formal intake. When students are referred for a formal intake process, the therapist will confirm that it is an appropriate referral, contact parents to get consent and to ascertain whether other members of the household are also impacted and should be evaluated for services, and conduct a formal assessment to determine which funding source will be utilized, according to the established AISD guidelines. Such a referral process will be designed by the contractor(s) and approved by the District, in coordination with the AISD Director of Health Services, Project Director, and/or School Mental Health Coordinator(s), to ensure all necessary information is being gathered and is appropriate. District approval will be in writing and all modifications will require District approval prior to implementation.
- Contractor(s) will capture referrals made to the Victims Compensation Program and report such referrals on behalf of the District. Contractor(s) will ensure the District's School Mental Health Coordinator(s) are informed of such referrals on a quarterly basis. Ensure therapists are trained in trauma-informed modalities, effective across primary and secondary age ranges, and receive on-going training in evidence-based interventions, crisis response, cultural proficiency, and victim assistance.
- Provide training to newly hired therapists on working in school systems and collaborating with AISD partners. Such training will be done in collaboration with AISD staff, which could include the Director of Health Services, Project Director, School Mental Health Coordinator(s), school counselors, District Licensed Mental Health Professionals, campus administration, and law enforcement (Police Officers/School Resource Officers).
- Advocate for the child and family with other mental health professionals and other in-district mental health resources on the campus, including school counselor, Licensed Mental Health Professionals, school nurses, School Mental Health Officers, etc. This coordination could include, but is not limited to, classroom observation, meetings with teachers and parents, and case coordination meetings on campus, in an ongoing effort to sustain the benefits of the therapy sessions. The therapist will conduct home visits, as needed. In the event of an incident on campus, the contractor(s) may be requested to provide services in response to a crisis situation.

- Conduct ongoing case consultation with staff, community partners, parents/guardians, and police to ensure that a supportive environment exists.
- Provide culturally proficient care, while working with diverse communities, including vulnerable populations. Contractor(s) will be expected to blend cultural knowledge and sensitivity with client restoration skills for a more effective and culturally appropriate recovery process.
- Have the ability to provide consultation and intake with family members, in their native language, to ensure informed consent is obtained and therapeutic intervention is provided in the client's native language. While English is the primary language, it is advised that the contractor(s) will also seek and hire bilingual therapists, with an emphasis on Spanish as the secondary language. Contractor(s) should ensure intake, assessment and consent forms from parents are provided in the clients and/or parents/guardians native language(s). Additional common languages, such as American Sign Language and Arabic, can be accommodated, using contracted translation and interpretation services at the contractor's expense.
- Be allowed to work with volunteer graduate-level, student interns in psychology, professional counseling, or social work. These interns will assist in providing individual, group, and family therapy services, under the supervision of licensed mental health professionals. Such a program will be implemented and monitored by contractor(s), in collaboration with the District's direction.
- Provide direct, clinical therapy following the student's Individual Education Plan (IEP).
- Attend and engage in planning and problem-solving meetings as requested by the District.
- Serve identified students with minimal interruption of the academic day, which includes scheduling meetings with students that do not interfere with core academic subjects, unless the meetings are court-mandated, included in the Individual Education Plan (IEP), or are approved by the school principal. Use before and after school time whenever possible.
- Have an accounting system with functionality to identify the receipt and expenditure of program funds separately for each funding source, including but not limited to grant funding, local AISD funding and insurance billing. Have an accounting system that is able to accurately reflect allocation of therapist funds among various fund sources. Patients will be categorized as victim or non-victim to ensure alignment with district funding sources including but not limited to local funds and grant funds such as a Victims of Crime Act grant. Refer to flowchart below.

- Ensure that school mental health centers have therapeutic coverage at all times, with appropriate plans in place for leaves of absence, employee resignation/termination, etc. Anything impacting the operation of the mental health centers should be immediately reported to the Director of Health Services, Project Director, and/or School Mental Health Coordinator(s), and the plan must be approved in writing by the District prior to implementation.
- Support the District with outreach related efforts to help widen parental and community district awareness of the School Mental Health Centers. All outreach related efforts will be coordinated and communicated by the District School Mental Health Coordinator(s).
- Work with the School Mental Health Coordinator(s) to develop an operational plan to support and ensure campuses with additional needs for therapists are addressed promptly and collaboratively.
- Assume responsibility for assuring continuing compliance with the clinical and educational standards of the contractor’s staff.
- Adhere to Austin ISD systems and policies:
  - A. facility use agreements, including security procedures required as on all AISD campuses.
  - B. alignment of student services with the AISD Social Emotional Learning (SEL) and Multi-Tiered Systems of Support (MTSS).
  - C. coordinate services with the AISD Director of Health Services and/or designee.
  - D. comply with policy Student Welfare, Wellness and Health Services (FFAE Legal). <http://www.tasb.org/policy/pol/private/227901/pol.cfm>

- **Insurance Requirements**

The Contractor shall provide proof and maintain the following insurance coverage applicable to liability which could be incurred in conjunction with its employees providing of therapy services to the district:

The Contractor is required to carry the following insurance coverages:

1. **General Liability** (minimum limit of \$1,000,000 per occurrence and \$2,000,000 aggregate). This policy should cover injury of a participant and include the following provisions: waiver of subrogation, endorsement to provide Austin ISD as additional insurance, and notice of cancellation.
2. **Sexual Molestation & Child Abuse (SAM)** endorsement of \$100,000 minimum (either specifically stated as included as part of General Liability or purchased separately in addition to the General Liability policy).
3. **Full Malpractice Coverage: professional liability** coverage at a minimum limit of \$1,000,000 to pay on behalf of the assured all sums which the assured shall become legally obligated to pay as damages by reason of any negligent act, error, or omission arising out of the performance of professional services under a contract.
4. **Workers' Compensation:** coverage should be consistent with statutory benefits outline in the Texas Worker's Compensation Act Section 401. The minimum policy limits for Employer's Liability are \$500,000 bodily injury each accident, \$500,000 bodily injury by disease policy limit, and \$500,000 bodily injury by disease each employee. The company's policy shall apply to the State of Texas and include a waiver of subrogation in favor of Austin ISD.

A current, industry-standard ACORD Certificate of Insurance (COI) for each of the above policies shall be delivered to the AISD before any work is started. Certificates shall be sent to the AISD Contract & Procurement Services office at each change or renewal during the term of the contract.

- **Criminal History Background Checks**

Contractor is directly responsible to obtain all required criminal history record information through the Texas Department of Public Safety's Fingerprint-based Applicant Clearinghouse of Texas ("FACT"). Contractor must ensure that there is no criminal history record that would prevent the Contractor or its employees from working in the District's facilities. Contractor must ensure that national criminal history record certification is filed with the District. Contractors can only be present at the campuses once all the criminal history process (including forms and fingerprinting) has been properly completed and approved.

## **B. Reporting, Evaluation and Key Performance Measures**

Collaborate with Austin ISD to provide FERPA/HIPAA compliant analysis and evaluation on progress of students, staff, and families served. It is beneficial to have proven research experience (published and/or presented) in the area of school based mental health, but it is not required. However, the contractor(s) must have the ability to collect, track, and analyze mental health outcomes and academic outcomes, based on a research methodology that will identify the impact and analysis of the individuals receiving services. This research will be

shared with the district, community, and larger mental health profession (through conferences, legislative hearings, etc.). All data should be differentiated between victims and non-victims receiving services. The following reporting parameters are to be reported directly to the District on a monthly basis and will be managed by the District Director of Health Services, School Mental Health Coordinator(s) and Billing Manager.

Provider will be required to provide AISD with two reports (victims and non-victims) on a monthly basis that indicate:

- Number of referrals for services received by provider
- Number of new unduplicated clients
- Number of continuing unduplicated clients
- Demographics of clients
- Number of clients who are victims of crime and type(s) of victimization
- Number of referrals to other agencies, by agency type
- Number of services provided by service type
- Number of client encounters and hours of service provided
- Number of paid staff providing clinical services
- Number of active clients on each therapist's caseload
- Number of volunteer staff and number of hours of service provided by volunteer staff (such as graduate level student interns in psychology and social work who assist in providing services under the supervision of licensed mental health professionals)
- Summary of therapeutic outcomes using a well validated, standardized tool (i.e.; Behavior Assessment System for Children, Child and Adolescent Needs and Strengths, Achenbach, etc.) (reported per semester).
- Analysis and summary of the child's school related outcomes (comparison of students' attendance rates, disciplinary records pre/post treatment, academic performance, etc.) (include cost detail in proposal response) (reported per semester).
- Interviews with stakeholders (parents, teachers, school counselors, police).
- Any other additional information requested by AISD

An annual report that analyzes mental health outcomes and analysis of students receiving mental health services, as compared to those not receiving mental health services, including comparison of attendance, academic performance, discipline, and expulsion from school (include cost detail in proposal response).

With continued oversight and direct supervision of the Director of Health Services, Project Director, and/or School Mental Health Coordinator(s), regular reviews will be scheduled to monitor the progress on the School Mental Health Centers and to ensure compliance with VOCA and other grant requirements.

Contractor(s) will also be responsible for providing monthly time and effort reports detailing therapist hours worked (therapist name, campus assignment, and direct clinical versus child

advocacy). The Department of Health Services will provide the required format to be followed with hours captured by specific activities outlined by The District. The District reserves the right to modify format as seen fit. All modifications will be discussed with Contractor(s) and documented in writing signed by both parties.

Contractor(s) will keep a record of and report on the number of clients funded through:

- Insurance (Medicaid, CHIP, Private)
- Victims and non-victims served
- Funding sources
- Co-pay assistance requested

For grant eligible clients, proposers must comply with quarterly reporting requirements. Reporting format will be determined and provided by The District and followed by Contractor(s). Data reporting on program services and efficacy is conducted monthly and/or quarterly for grant funding and reported and analyzed annually for all funding sources. As stated earlier, if multiple awards are made, The District will expect Contractor(s) to collaborate during the reporting processes.

Because AISD may receive funding for clinical services from multiple sources, including grants, such as the Victims of Crime Act (VOCA), provider(s) may be requested to provide separate reports of clients served by a grant program and maintain grant-related documentation as directed by AISD. AISD reserves the right to audit records at any given time.

### **C. Financial Sustainability Plan**

Austin ISD utilizes a fee-for-service payment model, based on allowable billing rates, by insurance sources (i.e., there will be a different allowable billing rate for private insurance, Medicaid/CHIP, and those that are uninsured). The contractor(s) will be expected to participate in multiple insurance provider networks, to include, but not be limited to, Aetna, BCBS, Cigna, Humana, Magellan and United Healthcare. The District does not collect the breakdown of private insurance companies covering District students. Therefore, we are unable to provide this information to Proposers. It is the District's expectation that the contractor(s) will collaborate with the Austin ISD Director of Health Services to develop a model that can be sustained. While all clients have unique needs, the District estimates that approximately 80% of a therapist's time will be spent providing direct, clinical services and a maximum of 20% of their time will be spent on client advocacy. Contractor(s) will be expected to provide detailed documentation/timesheet data, outlining specific tasks considered to be time spent on client advocacy. Child Advocacy tasks would include:

- Child Study Team, Threat Assessment/Safe & Supportive School Team, Crisis Response Team meetings,
- meetings with campus administrators,
- coordination of care and referrals in collaboration with District Licensed Mental Health Professionals and/or campus counselors,
- staff and parent mental health consultations,
- classroom observations,
- home visits as needed, and
- CPS reporting.

This child advocacy documentation (therapist name, campus assignment, and hours worked on specific child advocacy tasks) will accompany monthly invoices, and the format will be determined and provided by The District and adhered to by the Contractor(s). AISD reserves the right to modify these instructions at any time, while ensuring such modifications are communicated to Contractor(s) in a timely manner.

Contractor(s) will submit to AISD on a monthly basis a detailed invoice. These invoices will be received by AISD no later than the 15<sup>th</sup> of the month following the month of service. See attached sample invoices (Attachment 1). If the 15<sup>th</sup> falls on a Saturday or Sunday, such an invoice will be due the following Monday. AISD reserves the right to modify invoicing at any time. Modifications will be discussed with Contractor(s) and documented in writing signed by both parties.

The District estimates that 20% of its student base is uninsured and 80% is insured. The expectation for the successful operation of the School Mental Health Centers is that contractor(s) will be focused on direct, clinical therapy with an estimated goal of having each therapist provide a minimum of 6 hours per day of direct, clinical therapy. Clients served vary by campus; therefore, Contractor(s) are expected to work directly with the Director of Health Services, Project Director, and/or School Mental Health Coordinator(s), regarding all School Mental Health staffing. Adjustments, such as having one full-time therapist work on multiple campuses/therapist split between multiple locations, may need to occur, based on the number of encounters occurring on campuses. Flexibility, collaboration, transparency, and full disclosure are required to ensure model success. **All modifications involving staffing will be approved in writing by the Director of Health Services, Project Director, and/or School Mental Health Coordinator(s) prior to adjustments being implemented.** The contractor(s) will maintain the financial stability of this program with revenue generated through third-party billing private insurance, Medicaid, CHIP and other insurers. Billing for uninsured encounters will be billed to AISD on a monthly basis with a detailed invoice. Contractor(s) must provide an itemized list of services, and AISD will provide the format and details required for the invoice. The reimbursement model below is based on rates the District will reimburse for students who are uninsured and do not have a payor source.

AISD will follow the following rate schedule for uninsured student reimbursements:

<b>Service Provided</b>	<b>MD Psychologist Uninsured Rates</b>	<b>LPA, PLP, LCSW, LMFT, LPC (70%) Uninsured Rates</b>
Psychiatric Diagnostic Evaluation without Medical Services	\$ 119.82	\$ 83.87

Proposer may view the 2020 Demographic report posted at:

Further, reimbursements may be available for those who cannot afford their copay, up to a to-be- determined amount voucher system. It is the expectation and the responsibility of the contractor(s) to make reasonable effort to collect co-pays for services. To the extent funding is available from AISD, a policy and process to address the handling of student hardships may be implemented. It is the expectation and the responsibility of the contractor(s) to make reasonable effort to collect co-pays for services. To the extent funding is available from AISD, a policy and process to address the handling of student hardships may be implemented. The District's mission is to make mental health services accessible to all students and to not have students denied based on financial hardships (i.e. inability to pay co-pays). The District asks the contractor(s) to provide an estimate in their proposal addressing co-pays hardships.

The contractor(s) will conduct a financial assessment to determine payor source for all individuals meeting clinical eligibility criteria. The contractor(s) is responsible for billing and collection for all third-party resources. We anticipate this to be approximately 80% of all students served and 95-98% of all AISD staff. AISD will not require the contractor(s) to provide services to families with insurance who do not agree to bill their insurance for services. We encourage the contractor(s) to work with families to identify a financial solution that can be mutually agreed upon. If the student, staff, and/or family is uninsured, the contractor(s) will connect the family to insurance eligibility services in the community to connect them with a payor source.

**Alternative service models will not be considered. This program is to be maintained following a fee-for-service payment model only, based on allowable billing rates, by insurance sources (i.e., there will be a different allowable billing rate for private insurance, Medicaid/CHIP, and those that are uninsured).**

Because teletherapy will be part of the service model, Contractor(s) will be responsible for communicating the following with clients choosing to utilize teletherapy:

- The risks involved with teletherapy, including the potential release of private information and/or breaches in confidentiality (e.g. the risk of being overheard by anyone near you if you do not place yourself in a private area and are open to other's intrusion). Viruses, Trojans, and other involuntary intrusions have the ability to grab and release information that a client may desire to keep private.
- The advantages of teletherapy, including the convenience of being treated from any location at any time.
- The responsibility of the client to create an environment on their end of the teletherapy transmission that is not subject to unexpected or unauthorized intrusion of personal information. It is also the responsibility of the therapist to do the same.
- Teletherapy does not provide emergency or crisis response services.
- Teletherapy is neither a universal substitute, nor the same as, face-to-face psychotherapy treatment.

#### **D. Term**

The agreement(s) resulting from this solicitation will be in effect for an initial term of one (1) year from the date of award by the Board of Trustees, or such date established by the agreement. The parties, by mutual consent, may renew the agreement for up to four (4) additional one (1) year periods. In addition, the district reserves the right to extend the contract for an additional time beyond the final expiration date, if necessary to ensure no lapse in service.

## **Additional Provisions**

### **1. Interlocal Agreements with other School Districts through the Central Texas Purchasing Alliance**

A. *Membership.* Austin ISD is a member in good standing of the Central Texas Purchasing Alliance (CTPA) [www.txctpa.org](http://www.txctpa.org), an alliance of over 120 public school districts in Texas representing over a million students, sharing information, services and contractual opportunities. CTPA is an alliance created in accordance with Section 791.001 of the Texas Government Code through interlocal agreements.

B. *Adoption of Awarded Contracts.* In support of this collaborative effort, all awards made by Austin ISD may be adopted by other active CTPA member districts. By adopting a contract from another CTPA member district, the adopting district has met the competitive bidding requirements established by the Texas Education Code, Section 44.031(a)(4) and as required by the adopting district's policies. There is no obligation on either the awarded vendor or the adopting CTPA member district to participate unless both parties agree. Upon mutual agreement of both parties to engage under the terms of the original contract, the vendor agrees to provide the contracted goods and services at the same or better contract pricing and purchasing terms established by the originating district. Minor modifications to the scope of work of the original contract may be allowed to accommodate the adopting district's needs, as long as such modifications are directly related in nature to the original contract.

C. *Document Sharing between Members.* To assist an adopting member district in establishing their supporting documentation, the awarded vendor's response and related documents owned by the originating district may be shared without prior notification to the awarded vendor, unless the vendor at the time of their response to the original solicitation clearly annotates that such sharing of their response is to not occur without prior permission of the vendor.

D. *Adopted Contract Management.* The adopting district shall be responsible for the management of the new contract and all payments to the contracted vendor. The originating district shall have no

responsibilities under the new contract agreement. Upon adoption of the contract by the adopting CTPA member district, the original term of the contract and any renewal or extension options allowed under the original contract shall then transfer to the adopted contract, and such renewals options may be executed by the adopting member district at its sole discretion and independently of the originating member district's decision to execute such renewal options on the original contract.

## **2. Interlocal Agreements with Government Entities**

## ADDENDUM FOR CONTRACT FUNDED BY U.S. FEDERAL GRANT

### (NON-CONSTRUCTION CONTRACTS)

This EDGAR Certifications addendum ("Addendum") is made a part of a contract ("Contract") between the Austin Independent School District ("Austin ISD" or "District") and the vendor ("Vendor"), where such contract and Vendor are referenced on the last page of this Addendum. The following certifications and provisions are required and apply when Austin ISD expends federal funds for any contract resulting from this procurement process. **Accordingly, the parties agree that the following terms and conditions are incorporated and made a part of the Contract in all situations where Vendor has been paid or will be paid with federal funds. Where there is a conflict between the terms of this Addendum and the terms of the underlying Contract, the terms of this Addendum shall prevail.**

---

#### I. REQUIRED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS APPENDIX II TO 2 CFR PART 200

---

**(A) Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.**

Pursuant to Federal Rule (A) above, when Austin ISD expends federal funds, Austin ISD reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

If the Legislature fails to appropriate or allot the necessary funds, the Board fails to allocate the necessary funds, and/or there is a change in the NOGA, then the District may terminate this Contract without further duty or obligation under the Contract.
- 3. Termination for Convenience:** Austin ISD also reserves the right to terminate the contract immediately upon written notice to Vendor for convenience, with or without cause, if Austin ISD believes in its sole discretion that it is in the best interest of Austin ISD to do so.

If the contract is terminated in accordance with any of the terms referenced in Section (B) above, Austin ISD shall compensate Vendor for any work performed and accepted and goods accepted by Austin ISD as of the termination date. District and Contractor (collectively “Parties” and singularly a “Party”) agree as follows:

This Agreement consists of the Signature Page and the following: the Terms and Conditions set forth below and all contents hereof; the Statement of Work (Exhibit A); the Basis of Compensation (Exhibit B); Criminal History Record Information Review and Contractor Certification (Exhibit C), and Additional Exhibits (Exhibits D, E, F, G, and H). This Agreement shall also include the Request for Proposals (“RFP”), when applicable, and Contractor’s proposal.

**Terms and Conditions:**

**GENERAL PROVISIONS:**

**1. DELIVERABLES:**

This Agreement requires Contractor agrees to provide services: as set forth hereunder, and as detailed in the RFP and Contractor’s proposal, and as detailed in the Statement of Work (collectively, the foregoing shall constitute “Deliverables” and as applicable, singularly “Deliverable”, as used in this Agreement), in a prompt, timely and professional manner. Quantities shown in the RFP are District’s best estimate of District’s requirements for the Agreement term but should not be construed as guaranteeing a minimum purchase quantity or establishing a ceiling. Contractor agrees services will not begin and payments will not be made by District until the Agreement is fully executed, a purchase order has been issued by District to Contractor and an invoice has been submitted by Contractor to District. Without limitation, Contractor will provide the Deliverables in accordance with the specified deadlines in the Statement of Work. Per District policy, contracted services provided by District employees or their immediate family members are prohibited without prior approval from the Superintendent or the Superintendent’s authorized designee.

**2. TERM OF AGREEMENT:**

Subject to Section 4, the term of this agreement shall be one (1) year upon full execution of this Agreement and continue in force for so long as any Exhibit to this Agreement remains in effect or until terminated in accordance with its terms.

**3. RENEWAL OPTIONS:**

Provided that the Agreement is still in effect, the District shall have the option to renew the term of this Agreement for ( ) additional one-year periods commencing at the expiration of the term as defined in Section 2 and upon the same terms and provisions set forth herein. Renewal options shall be made by amendment to this Agreement, in writing and signed by authorized representatives of Contractor and District.

**4. TERMINATION OF AGREEMENT:**

Except as otherwise allowed below, this Agreement shall terminate when Contractor shall have completed all work covered by this Agreement, unless extended by written mutual agreement of District and Contractor at the time final service is completed. The District may terminate the Agreement for any reason if the Contractor fails to fulfill the obligations in a timely and proper manner. The District may terminate the Agreement by giving written notice of such termination and the effective date of the termination. In the event of termination prior to completion of the Agreement, the Contractor shall be entitled to receive just

and equitable compensation for any satisfactory work completed to the date of termination. The District may also terminate this Agreement at any time without cause by the furnishing of a five (5) day written notice from an authorized District representative to the Contractor, but the Contractor will be paid an amount which bears the same ratio to the total compensation as the services actually performed to the total services of this Agreement, less any compensation previously paid.

**5. ENTIRE AGREEMENT AND AMENDMENT:**

This agreement constitutes the entire Agreement of the Parties, and it may not be changed, altered, amended, modified, or rescinded except by written agreement signed by the duly authorized representatives of the Parties.

**6. ASSIGNMENT:**

Neither Party shall assign this Agreement without the other Party's prior written consent; except that Contractor may assign this Agreement without District's consent to an entity: possessing a controlling interest in Contractor; that is under common control with Contractor; or in which Contractor possesses a controlling interest. Irrespective of any assignment authorized by this Section, Contractor shall be legally bound by and subject to the Agreement, and any permitted Contractor assignee shall accept such assignment with the express written acknowledgement that it shall be bound by all terms and obligations set forth in this Agreement. Any prohibited assignment shall be void. This Agreement inures to the benefit of and will be binding upon District and Contractor and their respective successors and permitted assigns.

**7. FORCE MAJEURE:**

Neither Party shall be liable for any delay or failure in performance due to acts of nature, terrorism, labor disputes, riots, war, fire, epidemics, disruption of utility services or other similar occurrences that are beyond its reasonable control ("Force Majeure"). However, in order to avail itself of such excuse, the Party must act diligently to remedy the cause of and to mitigate the impact of the delay or failure.

**8. DISPUTE RESOLUTION:**

In the event of any dispute, claim, question, or disagreement arising from or relating to this Agreement or the breach thereof, the Parties hereto shall use their best efforts to settle the dispute, claim, question, or disagreement. To this effect, the Parties shall consult and negotiate with each other in good faith, and recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both Parties.

**9. SEVERABILITY:**

If any provision of this Agreement is held by final judgment of a court of competent jurisdiction to be invalid, illegal, or unenforceable, the invalid, illegal, or unenforceable provision shall be severed from the remainder of this Agreement, and the remainder of this Agreement shall be enforced, except as modified to the minimum extent necessary to render the provision valid and enforceable.

**10. COMPENSATION:**

District agrees to compensate Contractor for Deliverables related to the performance of this Agreement based upon work actually and satisfactorily performed not to exceed the total amount detailed in the Basis of Compensation. There is no minimum guarantee of payment. The Contractor shall not receive reimbursement for travel, meals and lodging related to any services rendered or efforts provided in fulfilling the obligations of this Agreement unless expressly authorized by District.

**11. HOLD HARMLESS AND INSURANCE REQUIREMENTS:**

It is agreed that the Contractor is an independent contractor. Contractor shall be solely responsible for payment of employees and shall further be solely responsible for the withholding and/or payment of any taxes or contributions imposed by any federal, state or local governmental entity by the reason of employment. Contractor shall provide, if required, workers' compensation and public liability insurance to protect Contractor from liability for injuries or damages. Contractor agrees to hold the District harmless from any and all liability that the District may incur, including without limitation, damages of every kind

and nature, out-of-pocket costs and legal expenses, incurred by reason of the Contractor's negligence or breach of this Agreement.

**12. NOTIFICATION OF CRIMINAL HISTORY OF CONTRACTOR:**

Contractor must give advance notice to the District if the person or an owner or operator of the business entity has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony. District may terminate this Agreement if District determines that Contractor failed to give or misrepresented the conduct resulting in the conviction. Statutory citation found in Texas Education Code §44.034. This notice is not required of a publicly-held corporation.

**13. CRIMINAL HISTORY RECORD INFORMATION REVIEW:**

Contractor, whether a person or business entity, must submit to a criminal history record information review if as an independent contractor, Contractor will have continuing duties related to the contracted services and direct student contact as defined in District policy CJA (LEGAL). Contractor must certify to District in Exhibit C to this Agreement that Contractor has complied. Statutory citation found in Texas Education Code § 22.0834.

Contractor shall also ensure that a criminal history record information review, per guidance in Exhibit C to this Agreement, has been conducted on all of its employees, interns, volunteers or sub-contractors providing services for the District under this Agreement and there is no criminal history record that would prevent employees, interns, volunteers or sub-contractors from working in District facilities or events sponsored by the District. If it is determined that Contractor or any of Contractor's employees, interns, volunteers, or sub-contractors is in violation of this provision, Contractor shall immediately remove such person from the property of the District with no requirement of written notice from the District and shall prohibit such person from future entry on the property of the District. Statutory citation found in Texas Education Code § 22.0834.

**14. GOVERNING LAW; VENUE, CONTRACTOR COMPLIANCE WITH LAWS:**

Wherever the term "Uniform Commercial Code" is used, it shall be construed as meaning the Uniform Commercial Code as adopted in the State of Texas as effective and in force on the date of this Agreement, and both Parties agree that venue for any litigation arising from or in any way relating to this Agreement shall exclusively lie in Travis County, Texas. Contractor agrees to abide by all local ordinances and all state and federal laws in the provision of its services, activities or programs to District, including but not limited to, the Americans with Disabilities Act, 42 USC §12111, *et seq.*, 29 CFR §1630, *et seq.*; Section 504 of the 1973 Rehabilitation Act, 34 CFR §104.1, *et seq.*; the Family Educational Rights and Privacy Act ("FERPA"), 20 USC §1232g, *et seq.*, 34 CFR §99.1, *et seq.*; Title IX of the Education Amendments of 1972, 20 USC §1681 *et seq.*, 34 CFR §106.1 *et seq.* the Health Insurance Portability and Accountability Act ("HIPAA"), any applicable federal, state, and local law and private grant requirements.

Contractor shall retain any books, documents, papers, and records that are directly pertinent to this Agreement. Contractor shall make the said materials available for audit, examination, excerpt, and transcription to District, sub-grantee or grantee of funds, or their authorized representatives, for a period of seven (7) years following termination of Agreement. Contractor agrees that it will allow District to examine, evaluate and audit Contractor's performance of services provided under the terms of this Agreement. ### Criminal History Record Information Review Contractor Certification

As agreed to in Terms and Conditions, Section 13, Contractor is directly responsible to ensure that a criminal history record information review has been conducted and that there is no criminal history record that would prevent the Contractor or its employees, interns, volunteers, or sub-contractors from working in the District's facilities or in events sponsored by the District. Statutory citation found in Texas Education Code § 22.0834. Relevant District policy includes:

- CJA (LEGAL): Provides definitions of relevant terms such as 'covered contract employee,' direct contact with students,' etc., and Contractor responsibilities regarding criminal history record certification.
- GKG (REGULATION): Describes procedures and considerations for approval of volunteers and interns to work with students, including the appropriate background checks (fingerprint-based vs. name-based) to be conducted.
- DC (EXHIBIT): Includes District guidelines on responding to criminal history records.

To review full District policy related to criminal history record review, go to <http://pol.tasb.org/Home/Index/1146> and type policy reference (e.g., CJA, GKG, DC) into 'Search' field, or request the most recent policy updates from District Employee Relations Coordinator, Naomi Tafoya, by emailing [naomi.tafoya@austinisd.org](mailto:naomi.tafoya@austinisd.org)

On behalf of \_\_\_\_\_ ("Contractor"), I, the undersigned authorized signatory for Contractor, certify to Austin Independent School District ("District") that:

If I, personally, will have continuing duties related to the contracted services and direct student contact, I have obtained all required criminal history record information regarding myself through the Texas Department of Public Safety's Fingerprint-based Applicant Clearinghouse of Texas ("FACT"). I further certify to the District that I do not have a disqualifying criminal history. I agree to notify District in writing within three (3) business days if I am arrested or Adjudicated for a disqualifying reason during the term of this Agreement. I agree to provide to District, upon request, my full name and any other requested information so that District may obtain my criminal history record information. I understand that District may terminate my services at any time if District determines, at its sole discretion, that my criminal history is not acceptable.

[and check one]

None of Contractor's employees, interns, volunteers, or sub-contractors are **covered employees**, as defined in Texas statute or District policy CJA (LEGAL). In the event that any of the Contractor's employees, interns, volunteers, and sub-contractors become **covered employees** during the term of this Agreement, Contractor will notify the District and submit Exhibit C.1 (Covered Employees List) to the District with updated information prior to **covered employees** coming in direct contact with students.

Or

Some or all of Contractor's employees, interns, volunteers, or sub-contractors are **covered employees**. If this box is checked, I further certify that:

- (1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

- (3) Exhibit C.1 (Covered Employees List) has been fully and accurately completed with information for all of Contractor's **covered employees**. If District objects to the assignment of a covered employee on the basis of the covered employee's criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at District.

I also certify to District on behalf of Contractor that Contractor has obtained certifications from its sub-contractors of compliance.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.
