Saturday, May 20, 2017 – Austin High School (10-2pm) (Information Table Only)

*FCA – Facility Condition Assessment – The FCA is an assessment of the condition of the physical building systems (roof, walls, doors, windows, etc.). The higher the score, the better the building condition; the lower the score, the worse the building condition.

*ESA – Educational Suitability Assessment – The ESA is an assessment of a building's ability to support teaching and learning, and evaluates systems such as technology, furniture, storage, security, etc. The higher the score, the better the building supports teaching and learning.

*FMP – Facility Master Plan - The Board Approved 2016-17 FMP Update is a high-level guideline for all of the District's facilities over the next 25 years. Its intent is to document the current status of each of AISD's buildings, identify a vision for their future, and chart a path to achieve that vision by identifying the level and nature of capital investments that must be made in each facility
