- Extend respect to fellow members inside and outside the committee.
- Be mindful of being a dominant voice. We want to hear all voices.
- Share and make space for others to share questions and perspectives.
- One mic, one voice. Refrain from using the chat for side conversations.
- Speak only from the “I” perspective.

Approval of Joint Committee Minutes

September 13, 2022 and September 17, 2022

- Minutes are records of meeting highlights, and are not intended to provide a high level of detail.
- At a minimum, minutes shall include: attendance of members, staff, and visitors; the time the meeting was called to order and adjourned; the outcome of any votes or other actions; and a brief synopsis of the meeting proceedings.

Meeting Goals

- To have a collective understanding of each other's goals and strategies
 - In cases where the goals are aligned, we would like committees to work together to develop one common goal and set of strategies.
- This work will continue on 10/12 with different topics. If additional time is needed, your PMs will coordinate to schedule that time with the committees needed.

Break Out Discussion

- Two discussions will be overarching
- Two will be shared between committees (Ed Specs & Program Accessibility)
- Specific instructions will be given in the break out rooms
- Each room will have subject matter experts
- Things to think about during discussion
 - Do you think there are any opportunities for a shared goal?
 - What information do you need from SME to progress the work?
